

Wood Armour – Maintenance oil, not only cleans and restores natural beauty on wood, but also deep penetrates to feed and protect the wood from the inside.

***MADE FROM PURE, 100% LINSEED OIL – DOES NOT REMAIN OILY OR STICKY***

### Typical Application:

Rejuvenate all indoor and outdoor furniture:

- Wooden fencing
- Decking
- Cladding
- Wendy Huts and Log Cabins

### FEATURES:

- Protects as it cleans - effectively in spite of the presence of waxes, oils, varnishes or sealers.
- Protects against moisture.
- Good water repellent properties.
- Restores the natural colour and grain of the wood.
- For use on all wood types.
- Leaves an elegant natural sheen to the wood.
- Easy to apply
- Non-toxic once dry.
- Unlimited shelf life.

### DIRECTIONS FOR USE:

- Spray a small amount of Maintenance Oil onto your wooden surface.
- Rub in with a clean, soft dry cloth.
- Leave for approx. 10 – 15 minutes to penetrate the wood.
- Use a clean, dry soft cloth to wipe away the excess oil.
- This process can be repeated on a monthly basis or as required. In coastal or dry regions, it is recommended to repeat bi-weekly.
